I choose to participate in voluntary recycling at my quarters. I understand that U.S. Waste will deliver one (1) recycle bin to my house for the use of disposing metals, plastics and newspapers. I will be responsible for maintaining the recycle bin in good condition and return them to Fort Carson Family Housing, LLC "cleaned" at my termination inspection. If I fail to return the recycle bin, the current replacement cost will be assessed to my account and paid for in full before clearing housing.

I, \_\_\_\_\_ (print resident name), understand and agree to the conditions stated above.
